# Dear BMW Motorcycles Riders & Fans!

BMW Motorcycles Club Poland has the privilege and honor to invite all the BMW motorcycles users, fans and riders from all around the world to our annual, BMW motorcycles meeting hosted here, in our beautiful country – Poland.

This year's edition, the XIX-th one, will be hosted in the spectacular region of Poland. In an eastern part of Poland there is a land of an untouched nature and a rich cultural heritage. So called Polesie Lubelskie is a vast area of natural forests, blossomy plains, spectacular lakes and mighty rivers.

Being so close to our neighbors - the Ukraine and Belarus, eastern Poland offers a variety of history, a mix of a culture and a marvellous, boiling pot of tastes of western and eastern kitchen all together. Within a loop of a 100 km You shall encounter natural reserves, national parks, medieval fortresses and renaissance cities. Freed from the industrial influence – the pure nature offers unquestionable landscape views and memorable sights.

BMW Motorcycles Poland invites every fan of BMW motorcycles to join our annual event, which will take place from 14 th to 16 th of June 2019 at the White Lake in Okuninka city. Our homeland will be a 4 star hotel SANVIT Hotel Resort & SPA, situated at the lakeshore of the one of the most unique and virgin lakes of the eastern part of Poland.
