### General information

- Parking by car or motorcycle is not allowed at the hotel, at the cabins or at the tents! You should instead park in the parking spaces that are available, you will be helped to find them in connection with your arrival. This is due to the current fire protection regulations.
- It is not allowed to light a fire anywhere in the area except at the marked "Grillplats" (BBQ space") on the overview map. You are therefore not allowed to grill, use your own kitchen at your tent or elsewhere, no matter what type of burner you have!

### Hotel room

There are double rooms both with and without a balcony, most have sea views. For those who want a little extra luxury, we recommend one of our suites.

If you come alone you book a single room, if you want to stay two together book a double room.

- If you want some kind of suite or have children, please contact [bmw@tanumstrand.se](mailto:bmw@tanumstrand.se) for alternatives and pricing.
- Rooms are continuously allocated by TanumStrand.
